

PRESS RELEASE

RECREX Group Opens a New Company in the Republic of Moldova and Becomes a Green Card System Correspondent

Chişinău / Bucharest, 27 August 2026 – RECREX Group, an international group specializing in claims management and correspondent services within the Green Card System, announces the establishment of RECREX INTERNATIONAL S.R.L., its newly registered company in the Republic of Moldova.

Effective 1 September 2026, the new entity will operate as a correspondent in the Republic of Moldova, further strengthening RECREX Group's network, which currently extends across Europe and North Africa. This strategic expansion builds on the Group's 20 years of activity at European market.

RECREX INTERNATIONAL S.R.L. will provide claims handling, antifraud and loss adjusting services to insurers and international partners for claims arising in the Republic of Moldova.

The establishment of the new company represents an important step in RECREX Group's regional development strategy and reaffirms its commitment to professionalism, transparency, regulatory compliance and the prevention of insurance fraud.

"The opening of RECREX INTERNATIONAL S.R.L. in the Republic of Moldova is a natural step in our regional development strategy and confirms RECREX's commitment to professionalism, transparency and compliance with the highest standards in the insurance industry. We want our presence in the Republic of Moldova to be an example of strong institutional collaboration, both with the National Bureau of Motor Insurers and with local insurers and partners."

Daniela Badaluta, President & Founder of RECREX Group

ABOUT RECREX GROUP

RECREX is a leading insurance services provider specializing in risk management solutions for clients across Europe. Over the past year, the company has expanded its capabilities by developing comprehensive claims management programs tailored to meet the dynamic needs of clients with both local and international exposures. Through its specialized business units, RECREX offers fully customized solutions supported by a robust service platform. RECREX Romania stands out with its extensive national coverage, a best-in-class network of service providers, and the use of advanced technologies, enabling seamless centralized management and operational efficiencies that are highly valued in the global Third-Party Administrator (TPA) market.
